Washington, DC - Congressman John Adler released the following statement after cosponsoring and passing a resolution to condemn the shooting at the Holocaust Memorial Museum yesterday and honoring the bravery and dedication of the Museum's employees and security personnel.

"I am deeply saddened and troubled by yesterday's shooting at the Holocaust Memorial Museum," Congressman Adler said. "My thoughts and prayers go out to the family of the security officer, who lost his life while protecting the lives of others. We must recommit ourselves to combat intolerance, extremism, discrimination, and the hatred that led to this senseless tragedy."
